**"I DIDN'T SEE HIM"
4 WORDS TO AVOID**

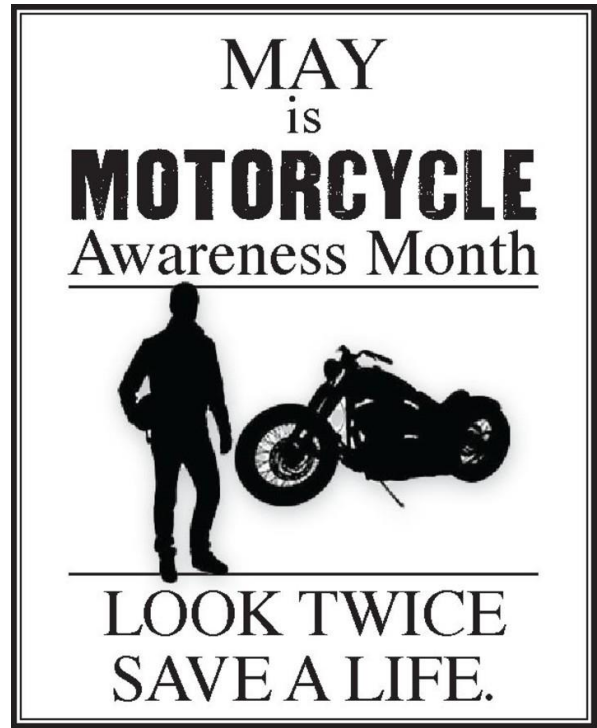

MAY IS MOTORCYCLE AWARENESS MONTH

PLEASE CHECK TWICE-SAVE A LIFE

WATCH FOR MOTORCYCLES!

57% of motorcycle fatalities involve one or more other vehicles.*

Motorcycles are everywhere. Just drive. **#MotorcycleAwarenessMonth**

AMA

*Fatality Analysis Reporting System
Nationwide census providing NHTSA, Congress and the American public yearly data regarding fatal injuries suffered in motor vehicle traffic crashes.

KEEP AN EYE OUT FOR MOTORCYCLES

Tips for Motorists:

- Keep a safe distance - at least two seconds
- Treat them like other vehicles that use a full lane
- Check your mirrors and blind spots frequently especially before changing lanes
- Pay special attention at intersections
